

### Union Cemetery

The Union Cemetery is located on grounds purchased from Isaac W. Crane, David Crane and William Rea in 1859. The stone arch and ornamental iron gates at the entrance were erected in May 1898 by the firm of Van Sternberg and Clark.

Ephriam Marsh, David Crate and Alpheus Clawson were the first to purchase plots in the new cemetery. The first burials included Robert D. Ayers (1859), James Drake (1860), Phebe Sutton (1860) and Julia Ann Clawson (1862)

The Union Cemetery Association, incorporated in 1857, continues to maintain the cemetery and its records.
