

OBITUARY

Lulu B. Brant.

Lulu Bernice Brant, eldest daughter of Mr. and Mrs. John R. Brant, died last Friday evening at the home of her parents on Willow Grove street, from hemorrhages following an illness of about a year. She had been as usual until the day before her death, when an unexpected physical collapse came. She was born here twenty-four years ago, and graduated from our High School in 1909, taking a postgraduate course the following year in the commercial department. She secured a position in the People's National Bank which she filled for five years, resigning owing to ill health. Later she received treatment for some weeks at the Glen Gardner Sanatorium, returning home much improved. Besides her parents she is survived by two brothers and a sister, Augustus, Harrison and Marietta, at home. Funeral services were held at her late home Tuesday afternoon. Interment in Union Cemetery.
