

OBITUARY

The death of little Luella Everitt, the only daughter of George T. and Annie Everitt, threw a gloom over the upper portion of our town and among the many friends of the parents and child playmates of the bright little girl. She was sick but a short time, afflicted with diphtheretic croup, and it was not until Saturday morning last that she seemed in extreme danger. On Saturday noon the worst seemed inevitable and about 3:30 p.m. the little spirit passed away. Much sympathy is expressed for the parents in their second bereavement. The funeral took place on Monday at 3 p.m., the Rev. John A. Munroe officiating.
